

NO WOMAN NO CRY

I remember... When we used to sit
In the government yard in Trenchtown
Oba, ob-serving the hypocrites
As they would mingle with the good people we meet

Good friends we have had, oh good friends we've lost
Along the way
In this bright future you can't forget your past
So dry your tears I say

**No woman, no cry
No woman, no cry
Oh my Little sister, don't she'd no tears
No woman, no cry**

Break

Said I remember when we used to sit
In the government yard in Trenchtown
And then Georgie would make the fire light
Log wood burnin' through the night

**No woman, no cry
No woman, no cry
Oh, little sister, don't she'd no tears
No woman, no cry**

Everything's gonna be alright
Ev'rything's gonna be alright
Ev'rything's gonna be alright
Ev'rything's gonna be alright

Solo

**No woman, no cry
No woman, no cry
Oh, little darling, don't she'd no tears
No woman, no cry**
